

To Chet's Termite and Pest Control:

On February 12, 1999, Chet's Termite & Pest Control tented my house for drywood termites at [REDACTED].

On May 13, 1999, we discovered new wings and asked for someone to come out and take a look. Live drywood termites were found at the time of your inspection and we scheduled to have out home re-tented on August 19, 1999.

On September 2, 1999, I received my money back for the tent fumigation of my home.

Needless to say I was thrilled that I didn't have to argue or threaten you to uphold you money back guarantee. Rest assured, I will tell my friends and other how fair, honest and pleasant your company was to do business with. I will certainly use your services in the future when needed.
